### Sales Order Terms and Conditions

1. All Products are licensed under the Adobe VIP terms and conditions: <https://www.adobe.com/go/vip-terms> ("VIP Agreement") and this Sales Order. Customer acknowledges and agrees that it is bound to the VIP Agreement. If there is any conflict between this Sales Order and the VIP Agreement, then the terms of this Sales Order shall control. VIP Member is Customer for the purposes of this Sales Order. Customer must pay in full within 30 days of the invoice date in accordance with the invoice. Accounts are enabled when Adobe books Customer's order; Adobe may adjust the License Term Start Date and extend the End Date accordingly.

2. Notwithstanding other payment provisions, payment is due upon receipt of invoice and must be made by credit card, if (a) the Total Annual Fee listed above is \$5000.00 USD (or equivalent) or less, or (b) Member will pay by Credit Card.

3. For Customers licensing on a Named User license basis, each Named User license includes up to 150 Transactions per 12 month period ("Transaction Limit") starting on the License Term Start Date. Any additional Transactions per Named User in excess of the Transaction Limit must be purchased in advance.

Transactions are Consumables as described in the VIP Program Guide.

4. Acrobat Pro 2024 is a Term License product. Therefore, any terms regarding Term License in the VIP Agreement, General Terms of Use Additional Terms, and VIP Program Guide apply. For clarity, Term License products are not subscription products and do not receive product updates, storage, or services.

5. After the Initial License Term, the Products and Services above automatically renew at the then-current price for successive periods of 12 months, unless either Party provides written notice to the other Party of its intent not to renew at least 30 days prior to the expiration of the then-current License Term. Customer may provide written notice of non-renewal to its Adobe sales representative. Adobe will notify Customer in advance of renewal of the then-current price, including any applicable estimated taxes. Customer authorizes Adobe to store its payment method(s) and to automatically charge the payment method(s) on file for renewal of the above Products and Services.

6. All pricing described in this Sales Order is contingent upon Customer placing an order with Adobe no later than 2025-12-04. Any terms or conditions in Customer's purchase order or any other related documentation submitted by or on behalf of Customer to Adobe do not form part of this Sales Order and the VIP Agreement and are void.

Customer understands and agrees that the licenses in this Sales Order will automatically renew at the then-current price (as communicated by Adobe) on each Anniversary Date unless one party provides the other party written notice of intent not to renew at least 30 days prior to the expiration of the then-current License Term. If Customer is paying with a credit card, then Customer authorizes Adobe to store its payment method(s) and to automatically charge the payment method(s) on file for renewal of the Products and Service.
